Rohan Murthy will achieve peace. He will get up from bed and lead normal life.

Peace Be upon him.

Man Manasa, Bishahari debi is protecting me from all Foxins.

When all is Amrites Santan then why hate some? Why not even allow to write about them and discuss about them in public?

Call them 'chhotolok'

Salan knows who will become USA president or UK prime minister. Then they send agents to trap them prior their appointments as rivers or colleagues. Like Jill Biden trapped Joe, Michelle trapped Barack likewise.

The list goes on.

When people reaches a level in developing nation they see that they are trapped in a cycle. So they join Regimes. To secure their children's future. Noone has seen Lord or Jesus or Buddha.

See Mahavir is also not good. So whom to trust?

They struggle for existence. So they work for organised regimes. The problem is deep rooted.

Shreeta Bachchan threw acid on her sibling's face in her past life for her ugly looks.

So someone said to her that you will have everything but nothing. So she was unable to be a good heroine for her average looks.

She is a good actress. But her looks stopped her from being top heroine.

So she is jealous & did not allow Ranit Karishma to be Bachchan Bahu so that they

Can upgrade straight to megastars. (2)
Now Zionist Regime will lead her to
her arrest. Her papa tried to reform her but
Anti-Vladavays everyone is sad. Though we all
have modern gadgets of digital
revolution but we are not happy
from our core.
Pentagon Chief African Lloyd has
seen how CIA destroys other countries.
They order FBI, Pentagon to destroy
Africa, India etc. Which these fellows
don't agree since they are natives
of these countries.
People goes to sadhus & mediums for
protection & they give stones & holy
threads which are sometimes
attached with crystals for protection.
The romance with the occult starts
from there which can lead to catastrophe
later. It slowly creates attraction
towards them.
Satan becomes more violent to protect
itself from Big Satan.
Bari & chhoti machhli case.
Satanic negative energy changing the vibration
of earth slowly. People moving towards

History will remember only 3 terror
organisations. USA, Israel and Australian
Labor Party.

Australian Zionist regime planning to ⁽³⁾
 spray toxic gas to public places & kill
 people but they know I will survive.
 I always have. Then after 3 years like
 this they will shoot videos of all these
 and post on social media platforms &
 say I am a witch cause I have
 survived because they are planning
 all these in the places where I go.
 They will say my agents have done
 this & public will attack me & then
 the senior leader has resigned due to this plan.
 I want to create millions of clones of
 me to eradicate injustice and reap in
 the cosmos.

Mythological stories should be corrected.
 Pervert stories leads to satanic
 beliefs. Lord Shiva marrying his own
 daughter Manasa that too without
 knowing it very funny.
 Lord Shiva is a great yogi who
 taught us yoga. And yogi knows it
 all. He is so fierce that the only
 woman he loved is his half part
 only. Twin flame. So this kind of
 dirty 'Stormy Daniell' fables
 not only destroys mythology it
 destroys the whole mankind &
 drives them towards satan. But
 when someone says water is H_2O
 people objects. But does that really
 matters? It only matters for
 chemical Scientists & intellectuals.

(4)

But poor stories about powerful Gods/Goddesses destroys the whole humanity. Like wrong science wrong religious stories should be set free from corruption. Unknowingly also bad mouthing gods & angels leads to heavy bad karma.
Masturbating seeing Manasa by her father Lord Shiva is very very frustrating though.

Sharmila Basu aka Roy a Yogini in her own rights of Mahavidya chhinnamasta devi will be a good classical music singer. She will have domestic bliss. She wants to be a dramatist like Mrs. Shabana Azmi which will happen & her desires will be answered. She will get a good family life.

Australian Labor party has diverted from Bob Hawke or Paul Keating. They are now into ghosts & ghouls instead of don't offend poor people like us. They should stay inside cemetery instead of The Lodge. They have a place where during the convict history many ab-origines were brutally shot dead & buried. Now they invoke those criminal spirits and do rituals to harm people which led to forest fire of South Canberra. Bill Shorten would have investigated that so he never made it to the top of Liberals

Here hijacked in gun point. (5)

Scott Morrison was removed showing a gun from parliament for he was also the one who would have investigated the issue. He was threatened for cases were made against him regarding boat people. Needless to say the forest fire happened in that part of the city where I lived before it destroyed so many farms, livestock & houses totally. It was caused by a govt. helicopter though. I roamed around for days with important belongings & papers in my car on the streets in the fear of losing my home in this fire.

Qatar hosted World Cup because they are Zionist Regime ~~people~~ people. Else there were better countries who could have done the job. These Zionists aka Israelis mostly targets finance & defence people.

They also targets celebs & destroys social lies & religious places since they are driven by Satan.

People should read more poems & literature.

It binds people. Gives hope and shows life path and experiences of others.

These are philosophies to share & morals & ethics to leave in a society in the time of need and to move forward. Read Books more.

(6) Zassi will entangle 7 lives with my close. It will teach him tough lessons & clean his soul from all impurities which will ascend him to Lord Shiva Sharabha Avalok and he will never descend again.

Aparitya Sen & Nabanita DebSen wants to return to their previous posts, Lord Shiva Sharabha Avalok and Dhanistha Nakshatra and if not near to these places of grace. They want to get rid of Satan first of all. Their daughter Nandana also wants to get rid of Satan & she will eventually get rid of it & enjoy a blissful life.

Kuberji aka Donald Trump is Dhana Kuber. There are many kuberas. Nala, Manigriva, Mayuraja etc. His nakula is running 2 books here. My hubby Shantanu & his niece Mansi. They are twin flames. Both will rise, will do good to people and heal them. Shantanu is a natural healer. Has body temperature very high which people thinks is fever like but actually not. His higher self should join assist him in his mission over here. Be peace upon him.

My youngest Mama & Maima are also Yaksha & Yakshi. They are deity Manava of Uttara and his Yakshini. They are close to Kuberji.

7) We have lost 'SPORSHO' in life so have become machines. We have lost our 1st love. The Harin chokho meye in our jibon or the mayabi chokho chhele ta in the kamini gachher tolay darshe near our Babar Bari.

So our life has become stormy Daniell. Life has become six slave.

AI maniac.

Demons are many. They are ETS. Extra terrestrials.

All of them are not evil.

Kutty Chattans are dwarfs who profane if fed well. Not all are violent though. Little bit of Love can ascend them to higher LOKAS too.

Some are stinky. Stink will make you Lunatic. Some are funny. Make you Laugh a lot. People will think you are Crazy. People use them as invisible army as they can't be seen. In this age of Rationality no believes in them so it is easy to harm people using them. Though there are laws to tackle

(8) dark magic but it is hard to prove them in the age of science.
Age of science & age of Satan running parallelly.

I visit various realms & exorcise souls and release my soulmates from the captivity of dark entities aka Satan.

The dark force will first harm you. Then when they will see you are not biting them in return they will either leave you or make

'dosti' with you. They are in the wrong path cause they have never seen white light or white feather. They have never seen prophets or saints.

That's why they make fun of them & draw cartoons because they have not received their calmness & majestic healing light.

⑦ Rishi Anubindo himself created

* Supreme God head wants to create a

* My son Palani Murugan aka Suga will
innovate a new gun like
Kalashnikov a new Gandhi or Vijay
or Pinak which will be a new
kind of weapon and a divine weapon
of it's kind and the humankind
has never seen it before & it
will have mantra installed within
it which will require special
skill to deliver it to the target &
use it for the benefit of the
soldiers.

I am energetically very very strong &
can sniff people like a sniffer dog.
Due to low vibration of earth, Yogis & gods
don't want to take birth here.

(10) Western civilization has a concept of incest & sexual abuse. So over doing of sex & illegal sex is also not permitted here. Nor over use of alcohol & drugs. They have rules to check these things also. Means everybody knows that these things are detrimental for us. So why not control these and move towards love & light??

Domestic violence, sex in workplace & profic-pupil sex for fun or couch casting are not healthy stuff for them either. Sex should be regulated. Sex for fun can lead to major catastrophes health wise & as a society.

Achir Varun Dhanan mother is a dark witch. She has spoiled her son's life. Now ruining Tripara Royal family's life through Tantra.

Ileana D'cruz, Raj Kumar Rao, Hardik Pandey, Adah Sharma, Prosenjit Dattajji are all Zionist agents. Heavy dark magicians. Attacking me & others. Prosenjit destroyed Tapash Paul's rival.

Meena Kumari destroyed Madhubala through Tantra. She had interest in Dilip Kumar. She destroyed Saira Banu's home.

Kamal Amrohi has a diary. He has written all this in that.

⑪ She was a prostitute's daughter.

They did nayra to doctoits & preates who were very brutal. They did Narabok & all.

She carried the legacy of all these. She was very brutal & cruel.

This will come out in public.

Her image will suffer & truth will prevail. Her bad blood is being led into all these Peishechik deeds.

Zions men planning to sell a fancy car to us with all parts removed from the car. Only cheap parts installed inside it. The body & logo will be of the original company like AUDI or ISMN or PORSHÉ.

It will be accident prone & might choke us to death too.

But it will never happen.

GOD IS OBSERVING US FROM A DISTANCE.
