श्री १-१०१०१ JORIFITA

Demons record the vulnerability of a society or person and blocks the happiness from flowing in your life.

Demons had (Pishachas) sent Laxman Swami into Ramana Maharshi's life to destroy him since he is pure white light. He was Dandapari Swami in his past life staying near Ishagabau's cave in Palakattu probably.

In Rana Saugha janam I used to see beauty in humble creations. Used to compose poems & short stories. Create characters of Rana Saugh & Prof. Sen as peasants or Manikars. Rana used to say like - 'Rana ko farmer bana dia beti' jokingly.

I was a good swimmer. Had great lakes inside Killas. Full of Lotus. Used to pluck flowers. Participated in competitions of plucking Lotus with our males and cousins.

"Once inside water never came out."

Did this with Raima Sen my daughter.

Rajputs used to call me Matsa Kanya.

Rekha Mahajan DD was from Champaran Zaminder family. She was snub and very pinkish.

People called her 'GULABO RAJKANYE'

Hers was a small landlord family but not with convict history. Darbhanga Royals had convict history. They asked for her hand for Jaggi (then Prince) and if not her father was ready for marriage they would have snatched her. Like they did with her property afterwards. She had a son and a daughter. Jaggi had a love child

② With his father's concubine's daughter.

She was pretty but Zaggi never acknowledged her as his half sister. She was like a naukrani. But the love child was well accepted. He is Rahul Mahajan in this life. He was very good though.

DD used to love him also.

Now RSS trying to mangle her image as a one night stand girl during her RSS training days. She is a trained tarjoda Visharad. She and her daughter is

Mahis in doing all these. They are saying she has trapped Zaggi. Which is untrue. In some RSS camp she did jadhoka and Zaggi abused her then she trapped him etc. Her father was a drunkard so he also abused her sexually.

So Zaggi threw her under bus as she was sent to Bajpayeeji to trap him.

But Didi wanted to wed him. At Bajpayee was a busy leader and said no to her.

Her papa was a veteran RSS leader and one prominent financier.

They are now tarnishing her image also.

Calling her Chudail. She is a healer of Yogini herself. (63 Yogini's)

She asked Mahajan not to join Zionist Regime but he refused and abused her.

The abused was so brutal that she moved on in life and finally settled down with Nitin Gadkariji.

They are distant cousins. Gadkariji's wife used to visit her also in USA.

③ Tann aunty and her whole family will be safe.
Their DNA will be protected by The Lord
Himself. Mukherjee - Samarth - Divera Family.

Sushma Swaraj was a gentle soul. She was loved
across parties. Pakistanis also loved her.
RSS abusing her also. Her soul is very sad.
Calling me witch. Spreading lies across
countries that I will destroy civilizations
so attacking me from various countries.

If people don't want to attack me then
threatening them to attack me.

Planning to rent an Australian Air force
fighter jet and bomb my home. They will
do it in 'Usha Kaal' little bit dark
then and say it was in flying routine if
it was just an accident. I have almost
15/16 families who lives here in my complex
who are innocent and might die if they
bomb my house.

Please excuse my spelling and language as I get
attacked when I write. The images get blurry
and fonts distorted.

Tagore thought Nazrul was using Farsi/Urdu
which was creating havoc so tried to stop him
through tantra. It was not Bangla but a
'kicholree' vasa he thought.

Kadambari was lover so Tagore fell in love.

They were of equal age. If not wedded
to his bro. she might have married him.

He was a Koisi so loved finer things in
life. So women, life's aesthetics of Roses etc.

(4) He thought that 'God has created women,
meye manush - so erotically charming!!'
So lovely.

But he never stooped down to the
level. Modern society has regarding
women. They are all into porn business
now.

In the name of feminism we are
turning them into -

STORMY DANIELLES

He liked the power of Tantra Mantra
Yantra.

Prof. Amartya Sen never liked the
idea that how could a genius do all
this things? But kept it all to
himself. He thought that Tagore was
a ruler and his Dadu was a patibalay
businessman so it was normal for
him to ignore ethics & moral.
He was misusing his power.

Tagore now feels that he should have
acknowledged 'Yogini Malini' as his
mentor and Debi. She deserves a
Dhanyabad. If given in proper way
and time, this 'yogoboth' would have not
come.

See the definition of automatic writing.
He did automatic writing but he has his
own creations also and Shantiniketan
was his effort only.

This is his side of story.
Kadambari was smart thinker and cerebral but
got no importance from her Patidev.

⑥ Tagore appreciated her talents & thought process. It made a close bond between them. Which led to a sweet relation. It was to me kind of a -

'Bish Briksha'

Women had terrific lives. Close connections with men can create 'jwala'. And jwalamukhi's do burst in flames. Non or 100 Saal Band.

isn't it??

Small egos can make gods, fallen angel. They then travel to lower levels. So not always they are bad entities. They want to ascend to heavenly again. All low vibrational entities are not evil. Give them a second chance.

Oprah Winfrey will die within months in colon cancer. Her transverse colon has been fully covered with Leiomyo Sarcoma. Deadly cancer. She was projecting that to me.

She is a CIA agent. Attaches demons in her show in guest's body then collect info from them. Came from Africa. Parents lethal Voodoo priests. Not healers. Cannibals. Sats children after morobohi in her premises.

Ajay will be ~~save~~ saved and protected by Lord.

⑥ Nandana Deb Sen was my cousin from my Rana Saugh incarnation. She is brilliant & hardy. It is just Lava which detailed a humble soul like her. She has the intellect of Prof. Sen. Poor misguided genius.

This is the age of mediocres.
They are controlling everything.
Suppressing talents and genius.
Like Lord Rothschild and Emma Rothschild.
Calling everybody mediocres but they themselves are a rotten criminal gang.

Demons are tortured by their boss when they fail to do their job. They need love.
They deserve ascension too. Enjoy love & light. Let there be peace among them.
Let there be harmony among them.

Curse of Rabbits & gods are manifesting for Israel. It will be destroyed now.
They have become cunning & ferocious.

Netherlands has a flawless society almost. Only reduce illegal sex, over sex. Reduce wars & conflicts. They believe in women rights, child rights and all.

These are beautiful. But sex with dead bodies & animals should be stopped. Sex is destroying them.

⑦ Promod Mahajan had a ferocious wild side. Didi says - "log pyar me pagal hain but his love was pagal ka pyar." He had empathy for some. Like Radhe Jaggi. Didi says he had empathy for me also but became angry as I left him. He had scars from his past lives. This life also his ancestors tried to destroy him. His past life family took birth of entangled their energy with him in this life & tried to finish him again & he asked Rekha Mahajan to drive them away. But he did not have a guru like Echart Tolle or SRI SRI Ravi Shankar.

Darbhanga Royals are tyrants. If I went to Zaggi he would have protected me from Zions as per his capacity. DD says he was funny too. He used to cry when I fled away. He used to share his pain with didi as if didi was not his wife but mate. She was a friend of his in that gloomy period. She gave her shoulder to him for crying. He used to say, "Hoh aayegi to khub daturngi, Nahi jada daturngi nahi, O fire chali jayegi"

Nitin Gadkari used to tease didi like, Write it in your diary about your husband's 1st love story. You can't write like Gargi, toh ek Diary likh leh. O ek aur bari saath hogi toh log jan jayegi.

9
② Rekha Mahajan thinks that there was several layers to Promod Mahajan's character. Like Onion.
When my husband tortured me Zaggi felt bad. He saw in his 3rd eye.
As a yogi. Said to his wife that I am humble + innocent why he is doing this.
Didi said that you are doing the same then he said that's because she is avoiding me.

Ivana a Mossad agent lives in Libya, Africa abusing me as Nitch.
Calling me a paedophile.
Works as Israeli diplomat.
Curly hair. Olive eyes. Has distorted sex organ, vulva.
No one fucked her. Went to commit suicide. Then own brother wedded her. Has 2 kids.
Settled in Africa. Sending me demons. Her complexion is golden.
Will be brutally killed for her deeds.

Trying to harm Gassem & Baga. Nothing will work. They have powerful guardian angels & spirit guides. As for Gassem his is Imam Ali & Husayn. (Husayn) Imam

The yogis sitting there right now. They Gassem and Baga will survive 100 plus years so nothing will harm them.

⑨ Zionists have passed nukes to terrorists
via Manipur border trying to nuke India.
Burmese or Ulfa group. Other local terrorists.
Blame on China.

They trapped Manipur CM, Hemant Biswa
Sharma, Prahlad Joshi & JP Nadda.

People readily involved are Piyush Goyal,
Shivraj Singh Chauhan, Dharmendra
Pradhan and Mata Amritanandamayi.

They are planning to nuke India & flee.
They will go to Iceland or push
underground cities in Western Africa.
Manipur/Assam CM farano to travel nukes
through their states. Border crossing.

People who surrendered will be fine.
Body of the rest will blast like nukes.

Israelites should go to hell. Not USA,
Israel or Palestine.

They abduct celebs who don't join their
regime.

Emmanuel Macron informed me about my
home bombing. He said people calls him
evil cause he sees the 'France side' He joined
regime to earn bucks. Why not? All
leaders are earning. Only he has become
devil. Because he willingly has not
rejected the offer. Only leaders who has
not earned but are scolded are Trump &
Putin according to Macron.

(10) Putin & Trump are the real deal.

Though media constantly demonise them. Macron says USA made jews the monsters. Not his France.

Amritanandamayi the huggies sorry hugging saint is Mohan Bhaai's

Soulmate. They were there in the Haroms together.

She was ugly and a maudlin of the concubines of Shah's & Badshah's. Calling me Kali, Moti aurat.

There are pretty women in India. Why a Persian Prince has chosen you?

She is Ms. Universe (Moti, Kali) herself.

She is also in nuclear bomb explosion chakra.

Qatar Emir lived as a dost with his wife. Later part of his life had nothing to say to his wife. All words cease to exist. Long companionship. His wife said he should protect me from evil as I was wonderful to him when I was royal. Now he is a regal & I am normal. So he should protect me from Zalim world at least send me msg hon khatainak the Zions is. All Qataris are not Zionist followers. But Bhaai was unable to do it for some real life circumstances. Bhaai is my soulmate.

(11) Hoysala life when Soleimani was a fakir
I used to meet him after death. I was a
powerful goddess. He cherished my presence.
Closed his eyes. After 15/20 minutes
he opened his eyes and no one was there.
He can't touch me. Saw me for sometime
before him then closed eyes and in 3rd
eyes. My elegance & lustre made him
crazy. I used to say I have felt his
pain & sorrow all my life.

Now I am out of all cast, creed &
status. He asked ~~me~~ how long would he
remain alone then I said that I will
take him to jannat when time ripes.
All knew about our 'PREM' about
our soul connection -

People used to think we would get
married but suddenly the Maharajah
arranged my wedding with Rajvaidya.
Devi Shetty.

Gassem's father was a general then.
He was brilliant but took early
retirement to pursue religion.

Qatar Emir says that demons come to me
but are gobsmacked by my dazzling
aura like 'gali ka funda' FIDA by
Switzerland when sent there for blasting
bombs. Then they surrender to police
there as they don't want to destroy
that lovely piece of heaven then.

Same logic applies here also.

(12) Higher Self can ruin lower self's journey here. Sending silly thoughts. It can be blocked by guru or ancestors. The lower self then receives messages from ancestors or guru directly. Or Ista devta. Receive their Inner voice. Intuition. So all is actually a grand illusion. Nothing exist actually. A person except flesh, bone & blood.

Zions mock people as 'Fatso' who avoids them and says they are too fat to digest good money.

A Shankaracharya thinks Zions have become real monsters.

They should be kicked out of humanity should be saved. They should be punished not cajoled by super power USA.

USA leaders says they have hacked USA and operates on gun power.

Deb, Koel Mallick has not joined them so they mock them.

But they say vice is always vice. The regime calls them backward.

Mallick Bari has taught them good values. They are not desotrohis. Same is true for Deb.

(13) N. Gadkari has a gun in RSS.
He is selfless and very good. If PM
then had not sold India to Israel.
Very Powerful. Honest. Follow the rule
of saving hindus. Calls Zaggi a
'Narpung sak'

Hates limelight. Calls me beti. Loves me.
Proud of me cause I am preaching
true hindu values. He cried hearing what
Satan is doing to me. Said whether I
have attained NIRVANA or not is not
important. What is more important
is I am a devotee of Ramana Maharshi
who was a great saint. It needs lot of
punya to be a shisya of this Saint

and now the Satan is trying to
control people like us.

Keya Zamana aa gaya hai.

Tagore says that cosmos runs on power.
Whether vessel, Mainmayi or ~~enon~~
chit → chinmayi.
Consciousness.

All power play. We as beings exercise
power. Gods too. Realised beings too.
But they are out of karmic cycle.

Their powerplay is there cause they
themselves are energies. And
energies can't remain inert.
They will act and they are powerful.

(14)

Only their method of action & exercising power is quite different from common folks.

So whole cosmos is nothing but physics.

Energy bores, liquid energies and power games.

According to Tagore this is the truth.
Now he has channeled through me this thing.

Fingers crossed. +

END
