Mohan Bhagawat was a Kinnar for 7 lives and had his lives in India and middle east in Harems where he used to molest lovely muslim girls with his mouth and limbs and body since he did not have a penis .
He was so frustrated that he used to go to the toilets also of the ladies and stop them from passing stools he was so frustro case . Then he became staunch muslim hater from this incarnation-- that why the NABABS or SHAHS or EMIRS put a napungsak like him in the harems of lovely ladies .
Jaggi Vasudeb talked in my favour to the Zionist regime that they are aesthist and he also is an aesthist and there is no spiritual power in the universe so why they are bothering me ? How can a single woman harm CIA MOSSAD AND ISRAEL etc. ?
Is this possible even in the wildest dream ?
But they did not listen to him either . He was a saitan , iblish but they are SAITANO KA SAITAN .
Satan also is scared of them
Satan wants to meet another satan but runs away from Zionist people...
So a very senior Enforcement officer who is among the best the world has ever produced says that in this age of KALI , kaliyug we need 10/dasa Durga not only 1 Durga to kill Mahisasur cause the world has become so evil.

Injustice anywhere is a threat to justice everywhere.
- M.L. King junior.

A veteran South Indian actress, producer Chakrabarti's daughter regrets her decision to join BJP for their recent culture.

Riya Sen was Tanuja's daughter in my Raza Sangha Janam and she was my maternal aunt's daughter.

Suchitra Sen & Tanuja were sisters.

She was Razi Karavati's niece. I used to ask her whether I will get married to Raghu Ram and she used to say, might me as Rajaji is very good. Riya was 5/6 years younger than me.

When it did not take place I cried falling her lap the whole day.

But my husband of that incarnation says that I was a dharmic wife. Never did any evil think though I loved Raghu from the bottom of my heart.

Royals are still very powerful and organised & wealthy in India. India's most finance is still chucked by them. They are connected with each other and they are many.

Actress Tanuja wants to be a painter like Rembrandt. She wants to be a fine actress like Whoopi Goldberg. She will succeed and have a good life partner and domestic bliss with couple of sons. She was my favourite aunt and a gentle soul. She has genuine concern for all fellow actors.

India is a democratic country so muslim hatred is not allowed let alone Travancore Royals for not abusing Gassem then.

Some say RSS founder would have been taken
French or portugese help than British.
The whole country was fighting them.

They are also westerners.

Prof. Sen's sex with his daughter was a
Zion input of chain sex. Demons lure
them into all these nonsense.

He was ashamed of this. Nabanita Dev Sen
told him after learning this that you
have left me it is ok but got down to
so low level that I can't even imagine.

Prof. Sen cried holding her hands and
asked for forgiveness that he was unable to
protect his daughter and instead raped
her. I used to write poems and read them

to Prof. Sen in my Raha Sangha life. He
was my beloved mama. I used to ask whether

I would be an accomplished poet. Then he
said that I am Raha Sangh's daughter
'Ji Ji' why not?? I was angry. Cause I
said that I should have the talent not
my father that would give me Naam &
shakarth. Mama had Kautilya energy
but still he appreciated my humble poems.
I was Soleimani's favourite toy also. We were
childhood friends. used to play together.

When I did not come to the play ground he
used to say that I did not like playing
when you are absent in the ground.

You are my favourite toy.

Still he did not destroy me like Faggi.

Faggi used to say that I am his
favourite toy and if he does not
get it he will destroy it.

Jesus if not Jews would not have been crucified. Jews are wicked class. They are Saddists. Destroys countries, societies and religious places. They have a feeling that Einstein, Jesus all are Jews but they are not Land owners but varatiya. No true country of their own etc.

So they are a jealous lot.

If respected Jesus would have surrendered to him. Einstein, then have followed his quote, Peace cannot be kept by force. It can only be achieved by understanding.

Cricket, Cinema, Arts & crafts all are playgrounds not warzone. We should not fight. Rather enjoy and ~~compete~~ compete in a healthy way. Mingle instead of doing nasty.

40 years Australian Liberal Party will win continuously.

Drug addicts will recover & insane people will become normal under Shantann's healing power. He is a born healer.

Some BJP senior leaders & Zaggi sold classified documents & military secrets to Israel. - Zionist Regime.

Some sinners want to surrender & says if god does not forgive them then who will?

Body double can't be real. If they looks and speaks alike they can have different food choices & favourite flowers.

If god gives us a second chance also then it won't be like the 1st one. Same smell, color, agarbathi etc.

Same mood and Romance.

There lies a poet. Nurture that sensitive part of your soul. Else more Giza will follow you. Avoid fake emotions and duplicate things. Gold teeth is good for a fallen one but don't break all teeth to put a golden pair up & down, you will lose originality & have pain to show vanity.

Grihapathi Siva is protecting Shantanu. He will accomplish his mission here.

Varun Dhawan's mother has destroyed Manisha Koirala as she is from

Nepal an outsider. She has destroyed many celebs & people call her Living chudail.

CIA has been destroyed by jewish people.
Dimple (Bundelkhand Patrani) used to
love me most among her 9 kids like
my father. They used to share thoughts
whom they loved the most after
certain period and it was always
me. I was innocent and kind.
She used to think I was born into a
palace but I was human.

She had 9 kids but my baba had
more with other wives & concubines.
But both of them loved me the most.
She has been diagnosed with Burkitt's
Lymphoma for projecting it towards
me as directed by the Zionist
Regime. I have forgiven her though.

She says that she still loves me &
is proud of her beti doing so
well akeli in a male dominated
society after suffering so much
shit.

Sunny is not in zion pay ~~with~~ list but
as her boy friend you understand what

The panjabis fought for independence &
now you are doing terrorism ??

This is their side of story.
I am the messenger only. Not the judge.

⑥ Soleimani thinks that he has sent his best soldier to track down the evil regime. The mission accomplished then she (Me) will return to him.

This is his understanding.
I am here to mingle with him spiritually but as my undertaker (Mentor of my assignment, boss) I will go back to him in the earthly plane also.

Some pagan & Judaism gods (name them and there are yogis sitting there) now helping the ruthless jews now in the name of 'Bhaktas'.

These gods will be totally destroyed. They are protecting evil. Protecting evil Americans & Jews.

Ego's forforai. So gods call this age an age of ego like we call it an age of Satan.

These ~~gods~~ Jewish gods challenging Mahavatar Babaji that you can't do anything. Come from Satya loka & save your devotee. Show us your power. Reality is Babaji is in

a 'Dhyanamogho' state. A minute irritation in his causal body can destroy cosmos totally. They are shock absorbers. Absorbing energies from Supreme godhead and nurturing us and giving us life.

(7)

They are janpapis and know what
Babaji's holy body can do to them.

Junior Asuran has 7 companions. They are yogis

Not all of them visit here. People use f
abuse them. They have not seen real love.
Love binds all. If they have they not
have done bad to anyone. Most guys hate
them. Pishachs have Mahapisachs who controls
them. Not all are bad. They have healing
powers too. They are Shibganas. Love heals
them too f hate makes them ferocious.

⑧ Demons work for people then their lords destroy them through other powerful demons. So they feel unsafe in their work place but no compensation given other than 'Gali'

Which is heartbreaking.

Some great politicians say that if they have known me 40/50 years earlier then they would not ~~take~~ have taken the wrong path.

When hathi is in mud, frog also kicks it. But if it gets a divine hand then the elephant wants to come out and stand ^{in a} majestic way again.

There was a Travancore King Marthand Varma. He fought Dutch invaders. Dutch east India ~~and~~ Company.

Research about him, he was a great King. Few know about him.

Travancore Royal family.

I always loved Kerala as my favourite province from childhood days when I read it in my Geography / Social Studies book. Had a psychic kind of emotions towards it.

In my Hoysala birth I was a herbalist and healer. Healing power was in my both hands. Herbalist part came from my husband Rajvardi Devi Shetty ji.

I was married to him cause I fell in love with top muslim soldier Solcimani. My father, the King did

9) not wanted to get me married to him
not because he was not a royal or Islam
follower but it was a love marriage.

That point was more important.
Though publicly he said that royals can
marry a royal only. I was king's chhoti
beti and as usual favourite. He thought
that how can my beloved chhoti beti choose
her own groom? That was it.
Gassem was a 'nek Ladka'

Very good & genuine.
His papa was also a great soldier.
His mother died after 3/4 months of
my marriage with Rajvaid.
Then he alone gave his 3/4 siblings
marriage and remain celibate. His papa
was alive though.

He was a practising muslim and took
early retirement and lived inside a
mosque with his Fakire guru.
He lived a very long life almost 100
years. He was a healer. Near white
robes. Had white beard. Bare foot.
I died before him. 10-15 years or
maybe more before him.

My father of that incarnation the
king (Advaniji Lk) said that Gassem was
a steal gem. He was brave. Fought for
the kingdom and was very active as a
soldier.

Israeilees has become human bots.
They should become human beings.

⑩ Supreme Being wants all to be Arhants.
So anyone in that path will be protected if
he is genuinely trying to achieve NIRVANA.
Putinji will take only 4/5 lives to
attain Nirvana, Moksha.
In between he will visit this plane to
take the shit out of evil people.

People who has personally met Q. Soleimani
says that if Qassem is not holy
then who is in this world?
He is Haji also. One who has done
real Haj.
He radiates peace and has an aura
of calmness.

In his previous incarnations when
he was meticulously religious then also
he used to radiate peace of mind
used to stop totally in his presence.
World is still running on honesty, love &
kindness. So Qassem is a personification
of that people close to him says.

RSS trying to spread scandal that Smriti
Irani was raped by Soleimani when she
went to Dubai so Pramod Mahajan
stopped his visit to India after that.
But reality is Pramod Mahajan started
leaking information for money about
Iran to Israel as he was there as
state guest for a while and harm the
country and Soleimani did something
to teach Indian politicians a lesson.

(11) A very powerful princess of the world says that is it so easy to rape powerful women like Smriti Irani? Then why she is not giving her resignation? If she is so valuable.

Qassem Soleimani's niece Zeinab is a powerful yogini.

Yogini Khargini → ~~power~~ ~~वर्षा~~

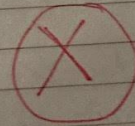

Her mother is fallen angel yogini Narabhojini. ~~वर्षा~~

Fatima his another niece is a gandhar.

This is all I am getting about them.

Friendship with Soleimani has several benefits. Enmity with him is also dangerous. He is the most fierce Rudra of this Kalpa. Rudra's energy has healing effect too.

Dushmani is Khatra Lena.
Khatrak

Kutty asurans have surrendered. Not taking any further tasks. Have been told to do good work to ascend to heaven which they are eager to do. They are cursed by a Rishi though. Narakasur was a great asur. Read about him.

(12)

Not all demons are evil.
Cursed angels go there but they
want to return to their heavenly
abode.
Kutty is changing minds of others
/ Ego which I can analyze.

The instruction from my spiritual guru
at this time of turmoil is

Abide in the Self
Ego's cacophony won't be able to
harm you.
Your health will also improve.

Be calm and still and surrender to
your inner self totally - fully.

In his language,

Self a abide thako,
ego (odas) jotoi forfor korak

Kichhu korte parbeha. Tomar
sharir o valo hoye jabe.

To ~~know~~ hukum Bhagaban !!
