KRISHNA ISANI

Western girls are not always sexy bitch. It depends on their family culture. How much they will expose. Swimming costume only near pools. They Towel wrap. Sometimes when ladies don't dress openly gents give cigar burn in their bodies. Some Workplaces has dress codes. Proper dress to wear. Still some males want them to dress openly else they abuse & harass them.

Some orthodox Brahmins feels women can't realise Brahman since he is male and they don't have a thread ceremony like Brahmin boys. But God or Brahman is sex less. So are women. Born in a ladies body does not mean she is not eligible. Her soul is gender less & neutral. It has nothing to do with caste Brahmin or thread ceremony. Ramana Maharshi had established his mother's shrine after her God realisation to prove this. She was realised during her death. This is called 'vidhe' mukti. So they feel women should take birth as men to achieve this state. But this is false. There is no state called Brahman or Brahmani. Only one state. Anyone can achieve after Sadhana. State of Pure Consciousness.

Celestial beings give healing in various ways. Gandhars, Yakshas, Gods (Olabibi, Shitala, Dhanwantari, Rudra Shaba) Kinnars all different chakras and way of healing which soothes our bodies.

Local arabs say Jews are not humane. They are Satan himself.

autho

② Many noted aussies have felt that too.

They can't think straight. Hook thinking.
Their lives are crooked not circle.

Aussies are all australians first.
Various parties have different ideologies

but all are aussies. Even criminals are aussies. They can agree to disagree.

But jews have a completely different view on life. Very negative & disturbing.

Others say that every nation has good & bad people. But jews has only bad & very bad people.

Now the Zionist regime wants to destroy the earth. Churning hellish devils.

Saying - We can't destroy the cosmos for sure but we certainly can destroy the earth.

Kamala Harris has lost so they are furious. USA power of govt. & military with satan's hand had made them illusory beings.

Bringing them from the clutch of Pharoah is a historical mistake.

Their abuse goes on - Roman Emperor, Nebuchadnezzar, Hitler, Putin, Khomcinci, China & the list goes on.

Higher self can help the lower self to surrender to God. They can consult higher beings in the time of need.

Sitala Devi will ascend to Andal devi.

They Annapurka if she wishes. She has a desire to go straight to mental plane & achieve nirvana. She is a self-less & powerful yogini.

Baba gharana.

Future will remember Muslim, Hindu, Jain,

Buddhist & 'Jews Jackels' communities.

" Hamas Oct 7 " is a Mossad operation.

To kill innocent people & bomb Gaza.

Brutality matches with Jews & Satan.

Jews are very old fellows.

Hamas is not a terrorist group.

Olaf Scholz Zionist bastard will die soon. Zions will chop him & feed to Ghouls.

Merkel will also die. For the past few months, on the New & full moon day a

baby & lady has been killed in their country mysteriously. All Jews origin.

These fellows are unable to solve the problem. Olaf is a psycho.

Rapes animals. Jantus. Pasobik Pashu chor.

Gay. Steals animals, rapes them & shoot them. Farm animals.

Victorian premier Daniel Andrews' grand father was a serial rapist. Raped left & right in neighbourhood. Deported here.

Mercilessly beaten by police men. Dan only loves money now. Tried to kill my brothers.

(4) Serial killer. Uses witchcraft.

Wife witch. Hi society whore.
Smokes cannabis. Has ties with
gang lords.

Angela Merkel a pedo. Has sex with
teenage boys. Stool full of acetic
acid. Sniffs poo. Chemist. checks
stool. Passes stool here & there.
School lads are shocked after seeing
her passing stool after sex during
1st night in bed. Those are their
dream dates. She lure them in
dream dates. They fall in severe
mental trauma & depression.
Takes their own lives. They are into
her repeated Havaas. Satanic cult
members.

One noted leader said to me that the
jews have introduced 'Satan' in our
culture. We were atheist, agnostic,
Christ followers or some pagan gods
worshippers. But not dreaded
Pisachas or other evil entities.
Few Cubans or Mexicans are there who
are Shamans but overall westerners
feels medium or psychics are dark
energy worshippers. Though they
invoke ancestors or spirit guides only.
This Satan element is jews introduction.
Like Marxwaris brought 'Dhanteras' a
new concept in Bengali intelligentsia
community. Similarly. Not evil
though but new idea.

⑤ Zions don't post real biodata in public websites like wikipedia etc. Celebs, politicians etc. Their rule. 100% of Jews will die in God's wrath. Cursed community. Cunning & trickster. Sinner means working for selfish motives. Gods can see it as they can see our aura. Dark aura means sin is there. Bright aura means a pious soul. Souls can't hide it.

Pallavi Ghosh of Durgapur has a sexy life. Servant, teacher, Father. Psychic from child hood. Attacked by ghouls. Mom found papa's undie at her room. Went to lover's point near Mayuraxi River with papa don't preach. It proves how the negative energies attack people. She is now a pisach & pari siddha tantrik. Works for Zions. Amazon Tarot Reader. Zions use her as their hitwomen. Calling me Rastor meye, Rastai thakumy obviously directed by the Jews Regime. They want to bite flesh, blood, skeleton, bone everything. Even marrow. What not. They don't know where to stop. Celebs say they can't even properly honey trap. Very cheap means of sending sex machikes. Virat Anu, Rana Sangh chhoti mausi's side cousin. Almost my age. I called him chhota vaai. Anu my Bhabishree. Very close relation. I was unable to figure out who was my uncle & who was my brother. He was my uncle though. Anu was auntie. Now helping God.

⑥ Lankini Goddess is saved.
Healed.

Shardul Thakur crucified & minus.
Gods don't have sex with apsaras.
Their energy bodies are transparent.
All can be seen. If any fake thing
happens they are warned then demoted.

This is Kaliyug. Age of Satan. So all
leading towards sin. So Zions = 1000
Mahisasurs. Wants to take Realised
Saints towards Satan. Chain them
there. Wants to destroy 'Brahmanda'

Matangi Mahavidya, Vakri Shanidev &
Hanuman ji wants a Sadguru & they
want Nirvana. They will eventually
get it. †

When demons irritate divine souls, their real
consciousness gets angry and projects thought.
From these men gods or goddesses are
born. This is the story of birth of
Rudras, Nataraj or Pashupatis to save
the creation. These pure cosmic
vibrations can tackle the demons then.
When demons are clubbed with grand
Satan on Krishna Gouhar the pain
and suffering goes on. Just opposite
of Salvation. It is called anti christ.
Christ gives eternal bliss. This one
eternal loss & grief. Opposite of
Krishna so merges into black hole
of Satan means Krishna Gouhar.
Termed as Nirahanda Kosha unlike Anandakosha.

(7) Priests have lucid astral bodies.

Satan sends entities and captures them.
Shows them dream. Makes them insane.

Drives them to holy places where
already deities or shrines have been
captured by Satanic forces. Heals him
a little bit in form of his Ishtadev.

Then traps & destroys him completely.
Enslaves him for lives.

Dark magicians create illusions through
spells to achieve this goal like politicians
to increase vote machine.

If a soul sits in front of Real Guru like
Ramkrishna or Babaji Maharajas or
Jesus then healing light falls on him
directly. So if he is a person who is
not suppose to achieve something great
in this life then also with the grace of
Lord he can get it. So do Bhagaban
Sanga and cleanse yourself.

Soleimani Qassem is a prodigy pilot. Can
fly fighters jets also. Has many theories
in soldier & spy fields. Taught as Soleimani's.

He was a professor at Tehran University.
His theories are taught in Military &
spy schools. He can speak a dozen of
languages like mother tongue and
in their accent. Persian, English, Arabian,
(many dialects) French, Russian, Chinese,
Cantonese, Hindi, Bengali, German,
Japanese & Hebrew as well as Urdu.

And the list goes on.

So people calling him 'ardhosixita
general, correspondence course a pass',
~~should~~ should be ashamed of their GK

8) else no one will give them a
Kaur Banega Corepati award.

What a pity !!

It is easy to learn.

But very hard to un-learn & ascend
towards Brahma.

Pankaja & Gopi babu → Tillotama &
Gopali apsara. Their ascension for
saving god's child from devil's
wrath. Like Kalzagini bites
Lakhinder.

Baan mara against a tantrik family
who is real can destroy ancestry.
Like doctors don't charge other
doctors. Professional ethics.

Dipankar Da & Abhisar Sharma both
are protected, saved, healed &
will live very long lives. Their
families are blessed. (Families)

I might be a psycho, pornstar, whatever
or terrorist but surrender to God &
I'll give you angelic freedom.
Give you a celestial position full
of love & light.

This is my promise. †

⑨ The gods are created for special purposes.

Special duties. So you won't be able to manipulate them. Surrender to them.

Durga one, Kali one etc. Murugan one.

Their aspects are bold & super active. Energy game. Even Tantriks can't

chain them when they are purely divine souls. So better bow down to them. You will win the race.

In spiritual endeavour if someone abuse you and you forgive him & send love then it counts more than counter abusing.

Donald Trump is Mayureshwar Ganeshji (Next ascension from Lord Kubera)

Melania will be Riddhi consort. (Riddhi) Mayureshwar Ganesh slayed demon Sindura - sur.

Trump slaying evil people. So he will go there. Fights spirit.

8 Ganesha is normally a wisdom god. Though there are Dhumraketu & Heramba Ganesh who are demon dealers. Fierce forms. Dhumravasna is same as Dhumketu / Dhumraketu.

Realised saints club into one consciousness during Mahapralay. Then becomes Mahakali or Vishnu or Indra from where the cosmos manifests again. The first thought projected by Maha Vishnu is Brahma who then creates other universes.

Since he is son of 'Brahman' the Self so he is named as 'Brahma'.

⑩ The creator taken birth from Vishnu's 'Nabhipadma' or whatever. Multiple Brahmas creates multiple universes. So all universe has their own 'Brahma' means the 1st & foremost thought from where it has been created. The master starts again from where all these consciousness from where all these starts again is the cosmic egg. Actually it is the bundle of the frequencies of all god realised Saints merged into one single 'Akandakosha'.

One noted journalist has said that Zions don't know how to love. They only know how to destroy. High priest of ACT (Phillip) will be ascended to Seshnag the serpent, demigod mount of Lord Vishnu. He will accompany Lord Achyutam. Love you Lord Achyutam.

People should Surrender in time else they are merged with Satan. They vibrate so negatively when visiting low lokas. Fast - Fast - Plant a tree. It will give flowers. But don't throw dirt & plastics on it. Let it be beautiful. Keep the essence intact. But the Zions are doing this. Abusing all. Left & right. One singer has said to me.

(11) These crooked zions will be taken to a new planet. Cold. Dark. Full of pests. Rotten insects. No light. No intelligence. Four legged beings like boars. Feeds on poops. No eyes. Only holes for eating & sniffing. From their direct clubbing with Grand / Maha Satan. They will go to Satan from there. No return to earth.

Innocent Jews if any will be put to normal evolution by universe after their death. The entities they provoke will also not entertain them.

Their vibrations has become so low. Always wet bodies like frogs. Heavy ~~but~~ bodies. Unable to move or walk though. Their lokas will be the toilets of 3rd world ghettos - unclean and unhygienic.

One writer said after reading my columns that there is no adorsho left in the society. Whom we can follow.

All noted people full of hatred & crime. If you abuse any angel or god while in a relation then they never comes back to you if they are genuine. Only you get their shadow energy or residue energy.

Like Surya the Sun god was powerful & his wife unable to tolerate his ego left him creating a goddess out of her shadow. So Zaggi will never get me or Rekha dd. But our shadows. DD is my soulmate. It will help in his soul journey though.

(12) Revered gurus don't take just anyone as devotees cause it can harm them than help their soul. If they disobey them. Show their inflated egos it can bounce back & create havoc in their life.

Qatar Emir Said Zions wanted him to bomb Qatar & flee the place & kill all Muslims. He did not agree & took help from other nations but not USA.

I was simple. In Bundelkhand life his mother did my hair. She was a good hair dresser. I did undo my delicate hair for her. Princess doing this was not normal. I did cause she was my mother only though my father's chief consort. It was hard for royal ego's then.

Tantriks provoke beings for celebs. Then others provoke more powerful negative beings to counter. This way the earth becomes polluted. The spiritual environment and real one also just shatters. Bhuk, mahamari is seen slowly. Satan can't give all. Gods have solution for all problems.

But Satan don't want you to know this so they destroys all religious texts, temples etc. Captures monks, Shamans & turns them towards them. Have faith in God. Not in Satan.

There are Mahabaans which can control & pacify all baans. They can neutralize

(13) even the evil done by the sorcerers.
These can be only manifested by real
& genuine Tantriks who are into
the Sadhana of 'I am that' and travelling
towards Brahma/Shwet Kali.
They are highly evolved & genuine souls.
If anyone tries to manifest these
'baans' it will backfire & destroy
them. So it is manifested by
tantriks. Not 'Kapaliks'

They can even neutralise the whole
Satanic cult from bombarding
malefic spells towards humanity &
paralyze the sorcerers & evil
manifestors who are harming
people & animals/trees with
their malice & bad intention &
preparing to destroy the earth plane
and human kind forever since
they will be eradicated from here for
their malicious voo dooisms.
Destroy the evil tantriks & satanic priests.
