KRISHNA DHUN ①

Urbi is a Zion tantrist. She has a husband who is also a tantrist but he does not work for the regime cause he is principled and honest. She protects him saying he is mad and a low grade tantrist who Baans backfires. They don't like if anyone refuse to join.

Mummy's nagarbadhu life will get a good spiritual guru who will guide & protect her from evil. He will be a Adyakali Sadhak and revered Monk of highest order. People calling me terror guy, porn star or mad will soon face God's wrath. They are trying to malign me.

I am not all these actually. †

There are angels & gods with whom others don't want to entangle their energies.

They are Rudras, Agni, Shani, Mars, Uttara Asadha, Ugra chandi, Ugra Kali, Rakta danta, Purubhadrapada, Chamunda, Rakta Kali, Nataraj, Narasimha, Sun, Rahu, Ketu, fierce Karkiks, Garushs or even Hanumans. They love to entangle energies with Laxmi, Saraswati, Moon, Brahma, Ram, Narayan, Sita, Vishnu etc.

Regarding Durga benevolent forms are more appreciated like Kushmanda, Siddhidatri, Annapurna, Shakambhari, Shailaputri, Brahmachari Mahagauri, Parvati etc.

The 'Krishna Sharma' is blessed and protected. It is healed. It is protected by Almighty. ISKCON will be saved by Krishna from miscreants.

(2) Chamund, Usha devi, Yogamaya, Pusham, Banadivi (Forest) these 5 Goddesses posts will be adored by even ones if they do their job assigned to them by god. IRGC commanders car/GPS blast and other IRANI/IRABI/SYRIAN/LEBANESE spy org pages blast plan by Zions. Any electronic chip can blast. Beware.

Iran parliament can face knife & fork attack. Mahua di of Tapash da (Bengali Actor) Top actors of yesteryears are twinflames. Revathi of Mrighasira Nakshatra.

Their twinflame journey will start soon as Romantic couple.

Mahua di said that upper dimensions has lovely colors. Rainbow bands.

Lower ones has deep maroon, deep blue, dark brown, black and lowest so black that human eyes can hardly comprehend. Like Black dazzling

Sun. The devils of hell are dark chunks only. No shape or forms.

Like Bhoots or prets or Ghouls or Rakshas. So evil are they. Only manifestation of negative energy.

This only tends towards Maha Saitan the grand chunk of fixed Saitan.

The risk takers are born in astral. They take the risks there which in turn manifests here. Like a Yaksha marries a fierce Rudra.

Then the challenges she will face here will be same when she will be born here and she will act like the same manner when she was there taking that

③ Challenge there. She will continue to do it here also like going to weird place, giving up his lucrative job for passion after 40+ or becoming homeless to travel abroad, etc. Astral tendencies manifests here also after taking birth. How many malignancies you try to manifest in my body it will backfire to you or by god will heal me cause now my body is running with Rudravatara (Shiva's energy who is a Saiddyanath - God, doctor of all doctors)

There are souls who are selfless and who are selfish. Selfless ones fulfill their Karma solely. But the selfish ones cling to other soul's energies to go through their Karma journey. They are energy vampire & sucks energies of others.

Shadwari Babu said that tantrists has a very fierce energy pattern. They rise & fall very fast. So they can manifest fast. Their astral bodies rotates like a Sudarshan Chakra. Shibi yogis are also like that in some way. But Karma & Bhakti yogis are more stable than them. So progress & fall in a much slower rate. Stable astral beings.

Maa will live 20+ years more. She is a profound healer & heals people. Isha foundation has makes Kedden in Adiyogi statue. Destroying Indian saints & maths. Killed John Melloo - the padre who touched me and Jesus gave me healing. He was a Christian healer. A Yogini - Yogini Khargini. They had threatened him earlier and now has eliminated him through Tantra.

(4) Others (Yoginis) will settle their accounts
now with these Isha foundation Zionist
wing. They are saying - "Chalo jaa
Isha Bishh"
Murderer of child, Women & Boys
in the name of Yogic Principle.

Totapuri Baba is the father of all
Aghoris - Beware of posting lewd
stuff about him in the dark
net. If you are a psycho doing
this then go to a mental hospital.
Not live in a civil society as a leader
or academician or celeb. Behind the
closed doors what you are doing Jews
jackets, will soon backfire.

Destroying 'Brahman' is not an
easy task cause it is the anda given
by 'Brahma' not Jews Hen.

Jnanpith Award winning writer Asha
purba Devi's matni Suchismita didi's
husband told me that there is a poem

by Sunil Gangopadhyay which I had
published in my web site named,

'Okhane manush nei' about Marx.
But he is saying that 'Ekhane

manush nei' in this earth plane
now. All ronaldies & loafers running
the world now, at Gunpoint.

Goal should be going towards nirvana
before Mahapralay since after that

the egos which comes out are like
old, used batteries. Real debris.

With no soul or spiritual value.

⑤ They tend to go towards demons there after. The Zionist regime is saying I am preaching negativity in the society. Neither I am bombing Gaza/Lebanon nor I am destroying any country or any place of worship like them. We are healers. We are here to heal the society not to destroy it. They are abusing saints and sages. Posting nasty videos about Maharshis Thakur, Totapuri Babas, Shirohi Saibaba in dark net. Rishi Arsobindo with their devotees. Posting lewd videos in social media platforms. Gossiping about them. Sex scandals. So who is spreading negativity after all these.

Those of Odin are not my soulmates. They had trapped me in this soul mission. Supreme Soul will deal with it. They will suffer the karmic loss they were trying to prevent. The Christian padres are also among them. Karma is a chain reaction. All western nations will face consequences for this plan. Soviet union will be exempted.

Souls created by gurus are their real child. Devotees are foster children. Gods also same. They are absorbed in the God's energy afterwards or by that energy if it achieves Nirvana before it's creator energy that specific God or guru. I used to play with Soleimani as a kid in my past life. He used to sleep deeply a lot. I used to

⑥ Gang him with a stick so that he gets up & plays with me. He was irritated. Used to scold me - scream at me -
Jah, I told you repeatedly not to disturb me but you are the one who never listens to me.
Then he would open the door & I would enter his room & nagging was there continuously for waking up & playing. Ultimately he woke up & went to play. I put a silk cloth in front of that stick so that it would not hurt my sleepy little head & face. We were like 2 twin siblings. Romantic relations started afterwards but before that we were like twin sister and brother.

'Eki bainte dubi Kusum
hindu musalman'
Muslim tar mayanmoni
Hindu bahar pran"

Once I asked him that when we love each other so much & every life we can't meet cause we are not born into the same religion, then why always this happens? Why we are not into the same religion?

He smiled and said to me - Does that make any difference?

To me - Love really never dies.

(7) There are various dark energies in the cosmos. Various gods can manage different energies. Lord Kubera is Bhutesh. He too can manage demons. Their Yakshaloka gets attacked by demons always as that is the 'divine Bank' of cosmos. So there are various matrikas & gods who takes birth to deal with these demons. Only realised saints can control all beings. They do it by changing the minds of the beings.
Zionist Regime trying to kill 'Real Donald Trump' now.

They will fail and it will backfire & they will be assassinated publicly. Shantanu, my hubby will give IT ideas which will form 50-60 IT companies which will change the computer landscape. All will be innovation ideas. These will change basic computer science also. He has more than 20 patent/innovations in previous companies where he had worked for. This is the ones apart from the current idea of Ric Richardson theft one. The Zionist Regime trying to stop my manifestations will be shattered into pieces. This is divine ordained plan. So it will be executed in a fair & decent manner not a street dogs fighting way. Rekha dd says we should not set the path of sinners thorn studded but petal studded so that they next time when they ascend they can become strong & peaceful. They can give us a sense of security, hope & love.

(8) There are various modes of Seba.
Pada seba, Karma seba, staying with
pious souls, social work, Pujas, Ishajans,
satsang and yoga. All are sadhanas.
Various modes of meditation which can
take you out of illusion.

John Mallar - Christian Padre will ascend
to Dhundi Ganesh post of Kashi & his
wife will be the mouse of the Ganasha.
He is yogini Khargiri, non.

One noted Muslim woman said that
dosti with terror guys is khataronak.
People say they are mostly Islam.
But it is more dangerous to go into
a relationship with jens. Dosti, Sex,
Dushmani - whatever.

'Daboch leta hain'
They can show Miss Universe's
skeleton while crowning her
on stage during the grand
finale.

This is a Qatari lady of repute.
The Jews are egoist cause they think that
Jesus was a Jew. Prophet Mohammad, Moses
all were Abrahamic. Judaism linked.
Now they run Banks, Media, Oscar,
Nobel. So there is something in their
religion which their saints have
given. They are chosen ones. Hindus
are fools. So their saints are
also idiots & made them poor.
Muslim countries are oil rich so as
Western nations - Rich.
But religion teaches us to become
humble & selfless & get out of Maya.

(9) Not to be materialistic. Detachment
Not acquisition. Hinduism has so many
offshoot religions still they are poor
Cause all teaches detachment.
So India is not a materialistic
civilization. Needless to say so many
people has invaded our country.
Looted and tortured us.

The modern western civilization is
running on 'Charbak Darshan' given
to Indians by Lord Jupiter.

So we know the pros & cons of it.
The above mentioned phrase was said
to me by a Gauri person of repute.
Santanu's sister was molested by buzurg
many times. Mom's cousin. Six mouthed
many folks. She is a witch & bitch.

Karnapisachini possessed soul actually.
Trying to implement cancer in her
bro's body now. Skin disease in my
body. Will never succeed. Would
backfire to her daughter, Older one.

Her brother will be a spiritual healer of
repute & heal people from trauma &
mental diseases, within 10-12 years.
He has powerful soulmates.

They are powerful gods and goddesses.
They are observing everything. †

The skin disease which this sister is trying
to give to me is now healed by a Yakshini.
She is a healer, Yakshini.

Asuran too will ascend to Bihorn Rabba if
he fulfills his duties given to him by God.

10) Soulmates are like brothers & sisters.

Karmics are like neighbours.

Doing wrong to soulmates are highly
punished while karmics are not. That
highly punished if they do anything
wrong. Next life Shantanu & his soulmate
Madhavi will meet as high school mates.
They will marry & have 2 kids. They will
do AI/electronic business. Shan one
muslim Lebanese parent one Aussie.

Madhavi both Aussie parents. ^{Component parts}
Moderate Rich electrical business
family. Chain factories. Shan, Middle
class electronic chip oriented business
family. They will establish their
own business which will be huge.

Flourish. Then he will go towards Gool
Very close soulmates. Shan a Yaksha.
She a Vidyadhari. They were Urvashi &
Rambha previously.

He will go to the ashram which
he will set up in this life only.

Jaggi Vasudev's right hand Bidhu Vinod
Chopra destroyed Bollywood. Not D-Company.
Nemahised, Drug addict. Destroyed Sanjay Dutt.
Muslim Hater. Did Sanju film to cover up
his misdeed. Used to copy other people's
work from Film school days. Got scolded
for that. Teachers said - Join a Bank
if you do this here. All accolades by
Tanuja. Most films directed by Tanuja
Charatra. She is brilliant. Malistid her.
Destroyed her. Else she would have been
another Aparna Sen or Kalpana Lathi.

⑪ Calling me names. Praising me that I am
the Baap of all of them. But behind the
back saying - Mere bare me wikipedia
me paregi. Lok patra chal jayega karon
Kiska baap hain. "A goddamn
mediocre director whose creations
~~stink~~ stinks energetically"
Copied mostly from far eastern films.
Scene to scene copy.

His wife & he used lend tantra to
manifest evil against sages & saints.
Destroyed Sathya Sai baba. Many others.
Trying to stop my manifestations now.

Zionists will burn him & his wife
into ashes in public now.
He leaked the central Mumbai pager
blast to people so Zionists will
kill him now. That celeb's flat
pager blast. His wife & him into flesh
trade & pedo trade. All Israeli
connection. Paisa, aha re Paisa.
He visits lovely ladies bedrooms in
astral bodies to watch and enjoy
their haughty and sexy bodies.

Madhosi - Madness -
it's good to be ugly Sometimes.

Girls don't be disheartened.
Everyone has a reason to exist.
