## NITI BAGISH

New yuga cycle will stay for 3000 years as satya, 4000 (3000+1000) treta then  $4000+2000=6000$

Dwapar and after that slowly adharma will rise again. But I pray 100000/200000 years of solid peace shall be upon the Mother Earth.

Ramkrishna Mission has Zionist agents. The sadhus molest Kumaris and take money for the Puja of Kumaris. They are there to destroy Rk Mission. They will be arrested and burnt alive in public. Govt. will close R. Krishna Mission. It will again start from Jay Ram Bati which will stay for more than 4000 years like Mathura Vrindaban along with Ramana Ashramam. Also Shirdi Saibaba Ashram will sustain the Zion attack.

② Revolution will go on in the state of Bengal & Bangladesh Zionists wanted to destroy Bengal through Ananda Bazaar Patrika & Communist government was also got destroyed by them and they have agents everywhere.

In Ex Mission, taking money & giving Diksha is totally fraudulent where Thakur never touched money.

Let us see how powerful is USA. The female leaders can go there without any commandos and return unharmed (Nangi pung' bazari aurats) This is practical Islam after seeing women using 'sex & body' for material gain.

Ananda Bazar, India Today has converted their magazines into soft books. Both will get totally destroyed.

③ Shriyog is controlled by God too. The amount of energy he gets for working is monitored by powerful gods actually aka. Bhadrakali (Lord Shiva).  
Shouls eat stool/Poo/Feces/ human droppings cause once they ate some Yogi's Poo. After that the peaca they got from it brought them to have more of it. Self Realised saint's are so powerful. Their droppings is also holy cause it is from pure atman free of asmita.  
Pishech is also God's child so he should not eat anyone's poo but once he ate some great Saint's droppings & it all happened. The animals are all God's children so no one should eat from the garbage bin. They don't like it.

(4) Openly advertisement of tantra to destroy people should stop. Vladimir Putin is a powerful Yogi who can leave his body at his will and he will live for 120 years.

My last life Papa, The Maharaja of Travancore is a Yogi too & he is into Adya Kali maa Sadhana. Terrorism is a bad thought. Erase that thought first. Bad Politicians create terrorist. Destroy them 1st then you would be able to get rid of terrorism.

Politicians like Joe Biden & Hillary Clinton uses these error guys for personal benefit and then kill them & throw them in the sea.

(5) Anjan Dutta Sengupta, Amlon  
Debashree Roy, Satya Caitaba  
devotees all will be protected  
by God. Shaktishan Kali Ma  
will personally guard them.  
No dark magic will ever  
harm them. Those who are  
attacking them will get  
destroyed by the magic.  
Powerful Aghori Baba will sit in  
the post of TORAH Goddess &  
will take the shit out of Zions  
& crude jens of Joe Biden  
Poisachik Regime.  
'Sutal lok' is not dharmic  
but little bit dharmic than  
Pishach, Rakshas or Naraka.  
It is a materialistic plane  
with limitations of it's own.  
Don't plan to go there. Go  
to the higher realms if  
you can. People, after reading  
Channeling is saying we want  
to strike USA - America ko  
thokh dena chahkti hu.

⑥ There are people who wants  
to grab all 47 and start  
Quinnella warfare & there  
are cables who were  
Quinnellas before now  
wants their rebel life  
back after reading my  
writing - Beware USA.  
Vietnam is coming.  
Putin in his next life  
will gas the remaining  
Jews again. They will  
be erased from humanity.  
90% of them went to  
Pishch loka & are very  
brutal. They are a  
threat to humanity.  
Sixth sense is needed for  
real success and that's  
the reason people go to  
Satan. Satan gives pleasure  
but makes one brutal &  
takes towards Tighansha  
but god gives all &  
make you peaceful &

⑤ erase negatively from the soul.  
When I discuss good things about someone here people start attacking them with taabra. But God will punish them personally.  
When people are killed it is war and when innocent men are killed it is crime.  
Queen Soroya of Iran is not Sita. She is a fallen angel. They still have some URSA in them. Many come to me & say they are angels & powerful gods but they are fallen actually. But they can return to glory if they wish. Soroya was a Queen of Iran.  
Science is there to eradicate superstition not god or shaman. They say we work with natural stuff not super natural.

② Acharya Jagadish ch. Bose,  
Mani Bhawanick, Albert  
Einstein all had their  
pure veins of dharma.  
Some Rabbi was Loney  
trapped inside a synagogue  
and he cursed the jews  
clan that all your ladies  
will be so ugly and lose  
femininity that you will have  
to go into incest, every  
100 years you will suffer  
migration & ultimately will  
get destroyed and will be  
brutal & poishachik.  
But if you surrender to any  
true saint you will be saved.  
They have not. Jesus was  
the saint. Hitler aka Putin  
was that Rabbi or priest,  
who had cursed them.  
Their ego brought them where  
they are now.

Mitchell Obama wears diamond  
Real diamond studded party.

People say she is insane.  
Drug addict.

(10) Had STD from aboriginal  
which will eat her whole  
body. It's contagious &  
very bad actually. It's  
growing on her left  
ovary. Has no  
medicine. Tribals throw  
the bodies effected with  
this virus in deep woods  
to avoid calamity. She will  
be thrown in the public &  
will die like a rotten  
'ROO' kangaroo after that.  
Her crazy <sup>sex</sup> sides has  
brought her here.

This time a 'Bunghora'  
Wild horse.

My Cousin 'Arup' will be saved  
and protected from all evil  
& he will remarry & have  
2 kids & his Vangsh will  
be saved.

(11) Ananya Sen said to the media not to publish his daughter's loan story cause she will repay it as soon as possible. She has done it as Indians do it when they are overdrafted in foreign lands. They leave everything and come back to India. That time Zionist Regime wanted to repay her loan which she disagreed with. Cause she said to her father that it could lead to more trouble afterwards. She still has hope that someday she will give it back.

Tantriks when reborn get dreams from Bhoots/Prets to join their clan again & then they totally destroy them. Satan traps them again 'janam janam mein.'

(12) Like Spiritual Queens  
Take control of our atman  
Likenite Satan controls  
our soul if we are into  
dark magic. So if a soul  
wants to get rid of him  
also there is no way.

Africans think Michelle  
Obama is a 'jail venge  
palaxo koyedi'

Academy award winning actor  
Gwyneth Paltrow eats child  
after they sacrifice it in  
front of Satan. She takes  
it home & chops it brutally  
and eats it. Satan sucks  
blood from them. After  
their heads are chopped.

4/5/6 months children. Max  
1-2 years. Police is inactive.

Latin America & 3rd world  
country are the hubs of  
snatching kids from mom's  
Lap.

(13)

Literally they snatch it from poor mom's laps.

Now police will shoot her. Next 14 lives she will be ugliest like a Texasoma

Tumour & in a country she will take birth where female shroon is not accepted killing.

She will survive 80/90 years with horrible face & her parents will hate her for her looks & she will

terrorise people & they will call her a living ghost.

I am actually a persian though Indian by birth.

Because they say arians are from Persia and Hindus are arians. Dravidians are

Indians. People say all this & needless to say India & Persia & very old civilizations
