SRI CHHANDOGYA

The pharmacist is altering my insulin with steroid and medicine with poison. Chemist warehouse, Majura park. The Shah of Iran will be a fierce general in one of his incarnations and punish Queen Soroya publicly for his deeds brutally publicly along side with her mother as they are witch and bitch. This is a heavy karma attached to his soul.

As soon as it gets released he will ascend to higher loka like Tapaloka as his son & grandsons will achieve moksha in this life. He is a very pious soul. Needless to say the queen Soroya will have no relation with him and will be a criminal and the shah will take birth in Germany.

② Emmanuel Macron does dark magic each & every day on other leaders & throw the children's corpse to his backyard.

Noroboli. Snatched from Tribes
The body of the deceased is then taken by Wolf.

The leaders are world famed though. Nowadays people teach leaders to trap other leaders with sex & all like 'Ghaseti Begum'.

The World Politics is becoming Ghaseti Begum Saga.

The France will see a great civil war and will get completely destroyed. All art, music, culture will get destroyed. Only The indigenous thing will remain.

French people are racist class.
The revolution will clean racism
and give justice to ethnic
people. Their ego will now
take a U-Turn.

USA has huge Karmaic debt
to pay to Japan. If they
delay it, it will double in
size. Like loan interest.

I always wish to get 2 sons
like Paramhansa Yogananda
Swami Vivekananda and god
will fulfill my wish in this
birth. People look for doctors
or Egg offsprings though.
My son Palani Murugan aka
Baga will invent a special
weapon like Ak 47, Kalashnikov
which will change the course of
war. It will require a mantra
to activate it and will be like a
Gandib, Vijay or Pinak.

④ He will be known as
'The god of chemical &
Biological Warfare'
Zoo.

This little Baga, my son.

Many angels have taken birth
to restore jews people. They
are old clan. They are
unfortunate and aggressive.
Innocent people suffer for
some bad group.

Most people hate them &
say don't trust them &
politicos. They ask why
Hitlers gased them.

The answer lies within.

The aggression should stop.

Innocent should be saved &
peace should be restored.

The jews people should
get out of Zionist clan.

There is a possibility that
the place where Hitler killed

⑤ them can witness another massacre soon where people might get killed till the last jews gets eradicated from the face of earth. Naraboli each day - Mystery will shroud the incident.

Zionists kill orthodox jews also and feed them to ghoults. They suffer from sadistic pleasure. They want to erase whole Israel if they are punished.

Very brutal people. Immatured and pathetic.

On the other hand Palestanians say about them 'Bhik mein pana desh' not god given cause god is not a real estate agent.

Bot innocent jews should be saved. As Moses once saved them.

⑥ Zions trying to trap my hubby in another conference. Video edit and inserting illegal stuff. But they will not succeed. I week long seminar. Planning to shoot me at that time when I am alone at home.

Home alone. → Knock, knock!

Open the doors → BOOM ☹️

X X X plan failed.

Access denied.

Amarlya Sen was my father in law in one incarnation.

When I was Hoysala King's daughter. He was a Rajvaidya.

His son was DR. Devi prasad

Shetty who was a Rajvaidya

too of a divine doctor now.

Ashwini Kumara. Hoysala King was

Lakrishna Advani, BJP Leader &

Veteran.

⑦ Criminals should also get a chance to rebuild their lives like in west they get. Innocent Jews should change their religion & identity if atheist to save their souls from hatred which is coming towards them soon.

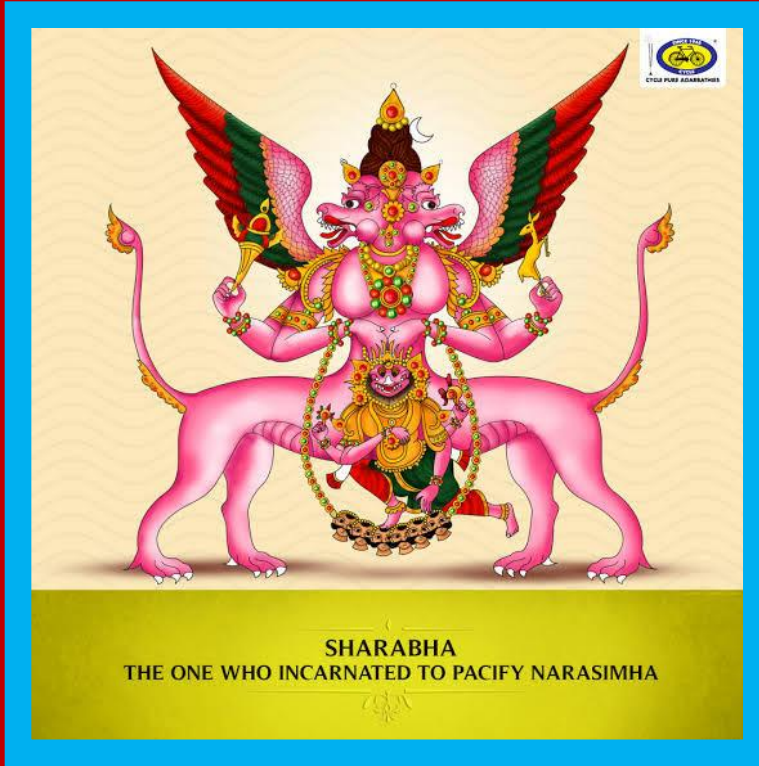

Joe Biden said that he & others came as normal guys to save the country & serve humanity but were trapped by the anti social gangs that run the world across the globe now. This is a regime. Has many teeth, claws & evil ideas.

Australian ex Prime Ministers Kevin Rudd and Julia Gillard are Divine too. They are powerful gods. In Hinduism we call them Shatabha avatar of Lord Shiva and Kamalেশwari Devi of Bhinnmal (Laxmi Goddess).

DEVI KAMALESHWARI

Goddess Laxmi, (Bhinmal)

LORD SHIVA SHARABHA AVATAR

⑧ Mansi & Shantanu will be protected by devi Kali & Mahakali. No one can harm them.

Skriya will get blessings too of Kali Mataji.

Malti will be Queen of Syria. She is a goddess too. She is Valli of Madurai, Ellis Nagar Temple.

She is the devi of Karuver tribes. Special goddess. Karuver Tribes gave her hand to Lord Murugan mostly if I am not mistaken.

She is a great yogini.

She will be a humanitarian queen of fame. She will be a blend of Princess Diana & Mother Teressa all in one.

⑨ Powerful Yogi protecting

This holy book. This book has been created through a mantra. Churned through a mantra. So it will survive the TIME.

An actor was saying that they are artist. Simple people.

But they are trapped into Zionist Regime. Get Fat checks.

Then they are ordered to destroy celebs or politicians.

Sometimes hire assassins & murder or rape them which they find difficult to do

but they are inside a kind of ~~chakra~~ 'chakra buyha'

Then they start chopping their innocent kids to teach them a lesson if they don't do the assigned job. If they do 40%; 60%

and fail once then they are chopped. No mercy.

⑩ They themselves live in high security zones with paranormal protection also but regarding the workers they have no 'Daye Maya'

Dictator, Brutal, Madness prevails.

Poisachik, Pasabik & Pagalami.

PPP \Rightarrow (P)

Great P. (GP)

They are business people. So they inject money in the society and does all sorts of nasty stuff using that power of Rakshasas.

They are true Rakshasas. Not Human. They have all traits of a Rakshash.

(11) Avinash Wadhawan was my cousin from Rana Sangh life. He was akhota Munna of all of our cousins. I used to do a 'LOVE PALAK' ritual to see whether I will get married to my loves Dhruv Star Raghuram, Rajan.

When things did not turn out in our favour I said to him that, This is our society. Very unfair.

A Rana's daughter is supposed to get married to only a Rana or his son - HUH??

Zionist regime's motive is to destroy the conservative societies in the name of feminism & human rights and turn them in bloody whores & drug addicts.

The goal of human life is ascension, hard work,

(12) maintain moral behaviour and ethical norms. They see the vulnerable side of societies and plan and trap them from that side.

Not all spiritual gurus permit soul division, aka Evinflame and animal births. It depends on gurus and their traditions.

Here nothing is wrong or right. Multidimensional facets of Sadhana of reaching the ultimate truth.

Last but not least, Supreme Self sees him self in a mirror and the reflection is this cosmos. So it is called Maya the grand illusion.

The world we live in is a part of that mirror. It becomes unclean & dirty due to

(13)

it's overuse. The avatars descend here to clean them so that people can see their real self again nicely. I am here to clean the mirror. Not to break it. If someone thinks that I am breaking it or if others try to break it then gods will repair it for sure. This is a promise.

The BAD KARMA will bounce back to them who are trying to throw stones & hide their hands.

Rishi Ranga Raktim Polash devis are observing every thing others are doing.
